... The Dawning Of A New Decade!

At the dawning of the 70's, St. Joe's was nestled on the doorstep of a new decade, which helped nurture St. Joe's into what it is today, a decade of considerable change. There has been a change in the dress code from a narrow black tie and dark pants for guys and the knee length blue skirts for girls. Some of the activities have since departed, such as a bowling team, snowmobile club, and debate team. Many of St. Joe's prestigious musicals have come and gone, such as *My Fair Lady*, *Hello Dolly*, *Mame*, *Pajama Game*, *Anything Goes*, *Bye Bye Birdie*, and *Man of LaMancha*. Yes, the past decade was a time of constant change that caused St. Joe's to grow and mature. We now await, with exalted hearts and high hopes, the dawning of a new decade, the dawning of the 80's.

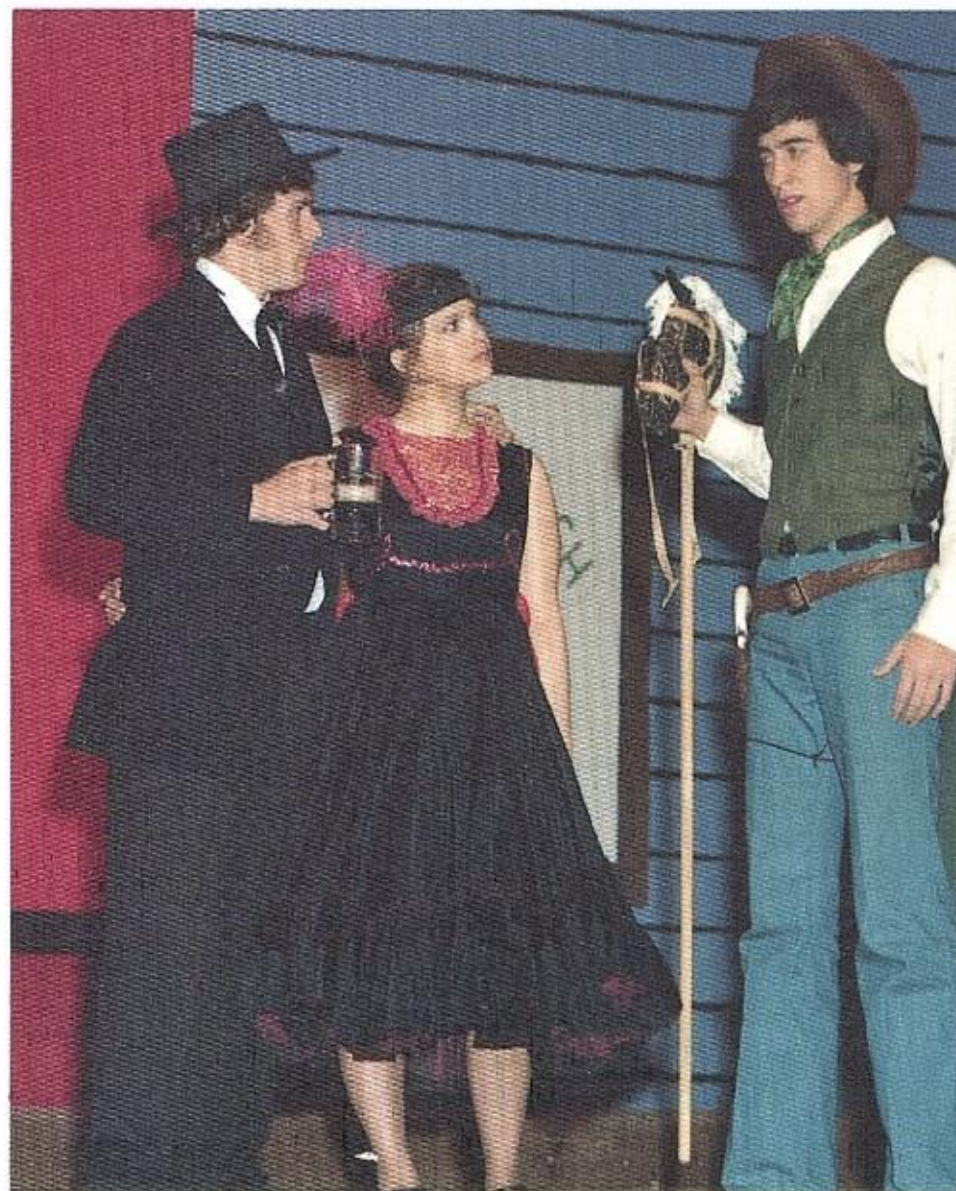

ACTIVITIES

A Sneaky Coward Dies Twice In Fall Play

The Creative Arts department presented "The Death and Life of Sneaky Fitch" on the 15, 16, and 17 of November. The cast included 21 members plus 45 crew personnel. The play was set in the "Old West," which brought out the cowboy in all the cast and crew members. The play was based on a town bum who had little courage to stand up to Rackham, known to the town folks as the "fastest gun in the West." As the story went on, Sneaky was "reborn" and found the courage he was lacking. Sneaky had an unfortunate ending when Maroon, the saloon girl, shot him in the back. The town rejoiced and celebrated his departure as the audience applauded the cast, showing their love for the show!

The two shows combine, featuring Butler and Oakley as the greatest sharpshooters around. To win Frank, Annie leads him to believe that he is the champion and she is only second best. A Week Set Aside For The Arts

Creative arts week took place on May 15-20. It included a display of senior art work, a production of "The Effects of Gamma Rays on Man in the Moon Marigolds," and a spring concert. The paintings and other exhibits were arranged in the main lobby so that everyone could witness the students' talents. There was a wide variety of art work that took in painting, drawing, macrame and many other eye-capturing abilities. "Gamma Rays" had a cast of five girls who performed with excellence. The play was centered around present day living in a broken, troubled home. The cast and crew spent numerous hours on the play and it showed in their performance. Liturgies Strengthen A Christian Atmosphere

Liturgies, an important aspect of St. Joseph High School, allowed the entire school to gather together and celebrate together. Many students were able to participate in the celebrations as servers, narrators, singers, petition readers, and offertory presenters. Many times priests from Kenosha's local parishes also came and joined in the celebration of the Eucharist. Some of the special liturgies this year include Father Steve's first Mass as a priest, the Christmas Mass where Anne Burnett was chosen from a random drawing and won a gigantic stocking, and the celebration of the feastday of St. Joseph, this school's patron saint.

Good Food And Good Service

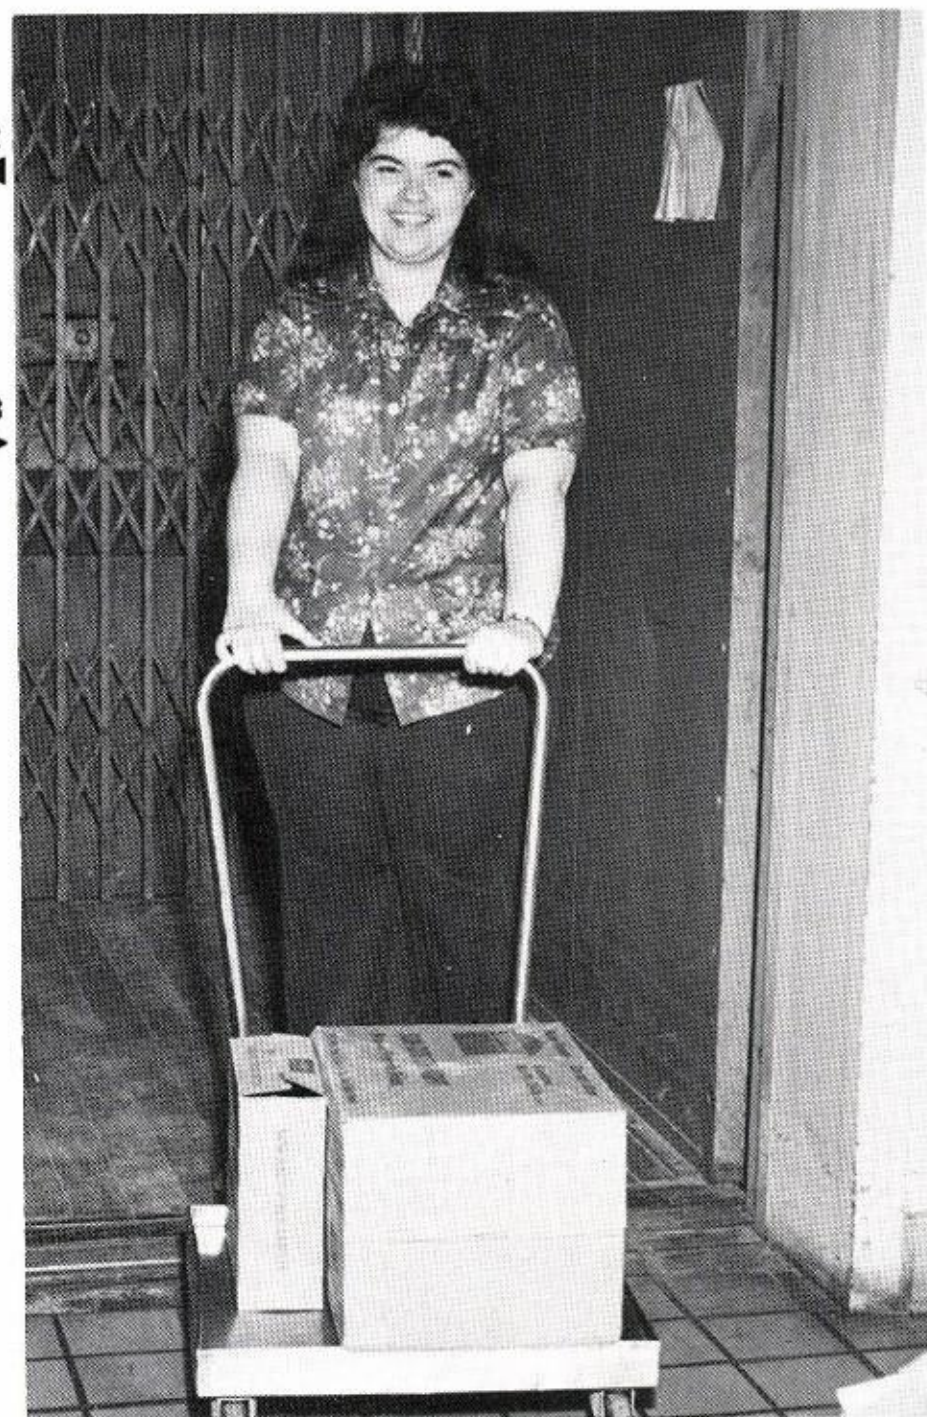

Not many people realize how hard it is to keep a school like St. Joe's running smoothly. Did you ever try to feed 800 students and teachers something different every day? This is the tough job of the kitchen and maintenance staff who work hard to keep the kitchen and building in shape.

SENIORS

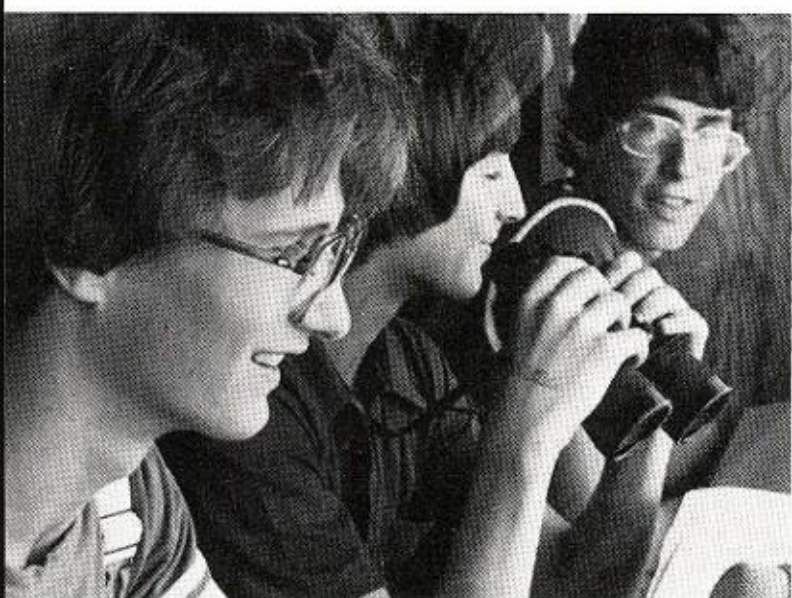

Being a senior means hard work and dedication such as being in the award-winning musicals. Being a senior means perfection and practice as the members of AKKA and BLITZ know. Being a senior means involvement and enjoyment such as dancing through the night.

Being a senior takes participation and determination as does being on any St. Joe's sports team. And finally, being a senior means togetherness and comraderie, which was brought out during the many assemblies and liturgies.

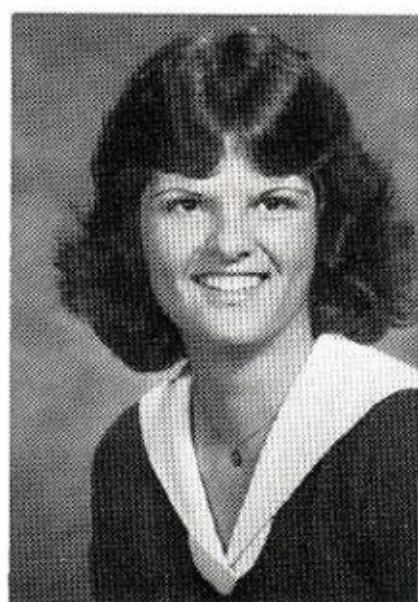

But most important, being a senior at St. Joseph signifies the finale to a memorable and enlightening four years.

St. Joe's Makes It To State: Almost

This was a season of changes, with a touch of controversy. With only a handful of letter winners returning, the team, coached by Dan Chubril, beat their arch-rivals St. Catherine's twice. Leading scorer Chuck Soule and leading rebounder Rich Czernecki helped the Lancers into the regional tournament. In the first game, they beat St. Catherine's, 60-57. The Lancers next played Thomas More, who beat them 54-35. Yet because of an ineligible player, Thomas More forfeited, sending St. Joe's to the state tournament. Shortly before the game, Thomas More was declared eligible to play, due to legal technicalities. Thus, the season ended on a strange note. The Lancers finished with a 7-11 conference record and were 10-12 overall.

J.V. Ties For 1st Place In Metro

A new coach, a new outlook, and great talent were all that was needed to tie for first place with Thomas More. Tom Gascoigne, working with Tony Kukla, helped to achieve a 7-1 Sophomore record. Captain Dave Fiorini and Dave Pawlowski were leading rushers. Quarterback Jim Jaraczewski did a great job. Leading tacklers were Steve Shafer and John Francois with Kevin Mayew grabbing 6 interceptions.

With only three returning letter winners, the young team gained the experience they needed and finished the season strongly, missing the state tournament by only one game. At the banquet after the close of the season, Becky Schluter was chosen by her teammates as the most valuable player of the 1979-1980 team, and was also named to the second team of the all-conference team.

Young Team Tracks Its Way To State

The girls track team put together a winning season behind rookie coach Bill Werve. The team was a young one with only one senior and much of their talent came from their underclassmen. Freshman speedster Mona Antony, shot put and discus thrower Patty Schroeder, miler Kelly Ficcardi and 440 runner Karen Czarnecki led the team to victory in a triangular meet with DSHA and Martin Luther and to a second place finish behind University School in their last meet. Through their hard effort and teamwork, the girls were strong in every event and compiled a 6-4-1 record. Girls Softball Exposes Talent And Teamwork

The 1980 season was a season of change for the girls softball team. The team acquired a new coach, many girls assumed new positions, and the first J.V. team was formed. Rookie coach Tom Gascoigne and captain Becky Schluter did their best to get the team to repeat their state championship title of last year. The team, behind pitcher Anne Althaus, compiled a 7-5 record, but missed out on a state bid. Leila Mercado and Patty Kloster led the team in hitting while Anna Rodgers excelled on defense. The only seniors, Becky and Anna, received the M.V.P. award. Although the J.V. team wasn't an official team, Jeff Strangberg volunteered to teach the girls the basics of the game during regular practices and scrimmages against other Metro teams. The J.V. girls were also there to cheer on the varsity during their successful season.

Varsity Girls Just One Game Short Of State

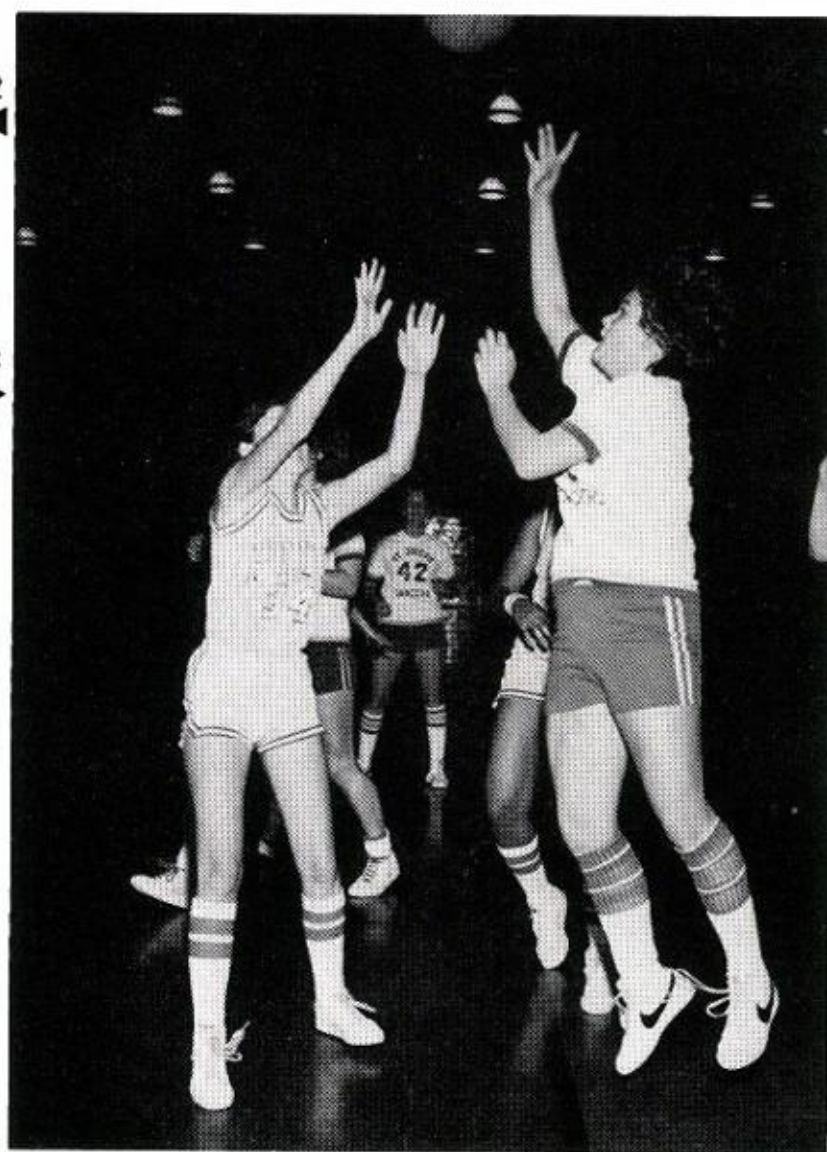

The St. Joe's girls' varsity basketball team came within one game of the state tournament again this year. Many unfortunate injuries to some key players hampered the team's effectiveness at the start of the season, but the girls bounced back to play .500 ball and compile a record of 9-12. Under Coach Snyder the team broke rebounding records and set a single season free throw record of 60%. Leila Mercado was the team's leading scorer, co-captain Kathy Fiorini paced the team averaging 15 rebounds a game, and co-captain Karen Bahr led the team in assists with 4 a game. JV Girls Show Talent And Improvement

1▲

Attaining a 10-10 record for the season was quite an accomplishment for the girls' J.V. basketball team. The girls showed some strong talent and compiled some impressive wins by defeating some of the very strong conference teams. Having only four sophomores gave second year coach Miss Reinartz and assistant Lynn Barth an inexperienced but hard-working and eager team. Behind captain Kathy Loewen, the girls executed offensive plays, defensive strategies, while perfecting needed skills. The girls had an enjoyable and successful season.

Cross Country: A Milestone And A Mile

1▲

After being dropped from the 1973 athletic budget, the cross-country team made a strong comeback this year. With the hard work of co-coaches Mr. Marx and Mr. Henkes, and determination of the team and the leadership of captain Steve Brunner, who was also mvp, proudly brought home the second place trophy at the state meet.

GROUPS

Involved Athletes Make J-Club A Success

Moderated by Mr. Snyder and Mr. Marx, the J-Club, consisting of all female and male athletes who wish to join and participate, enjoyed a very successful year. The year started off with the building of the concession stand in the balcony of the gym. Mr. Snyder, Mr. Marx, and a few of the other members built the concession stand which has now paid for itself. Candy, hot dogs, pizza, and pop were sold by J-Club members during all athletic events. The group ended the year with a festive banquet honoring all the members and officers.

The Creators

These creators are all part of art club. Their many projects this year included making backdrops and cafeteria posters for the musical, designing greeting cards with their own original drawings on the front cover, and of course, the annual art show which is always a success. Sister Honora is the head of this activity and does a fine job of running the organization. Art club members always know how to brighten life by all the colorful things they do.

Those Devoted To St. Joe's Theater

St. Joe's had many dedicated workers on the stage crew this year and also added new members to the Thespian Society. These are the ones that made our productions so successful. They began the year with the hilarious "Sneaky Fitch" and ended with the fantastic production of "Marigolds." Their hard work and devotion made our 1980 theater go down in history as another productive year.

Key Club Unlocks Door To Success

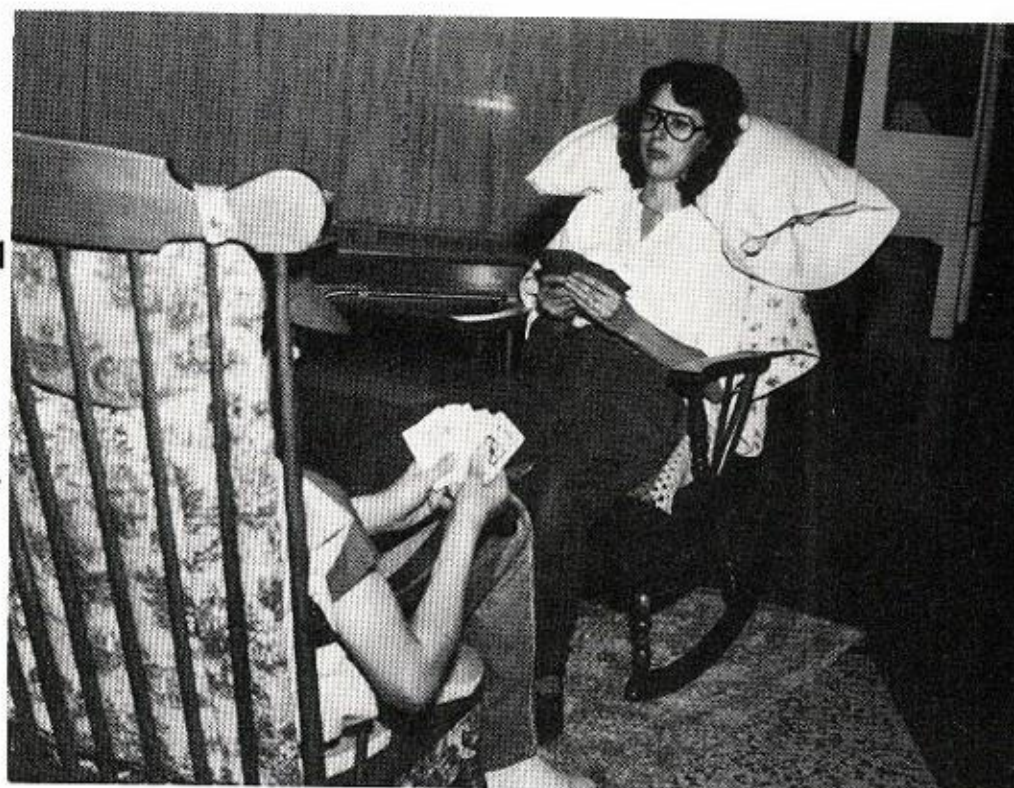

1▲

Key Club, a first year organization, was very active and involved. The group, a mixture of all grades, sponsored Christmas formal, held donut sales, sang to the elderly, and held a rocking chair marathon to raise money for M.S. Moderated by Mrs. Hubbard, the group held weekly meetings and sometimes had various guest speakers. Key Club ended their successful year by painting their meeting room.

Dashing Through The Snow With SJHS Ski Team

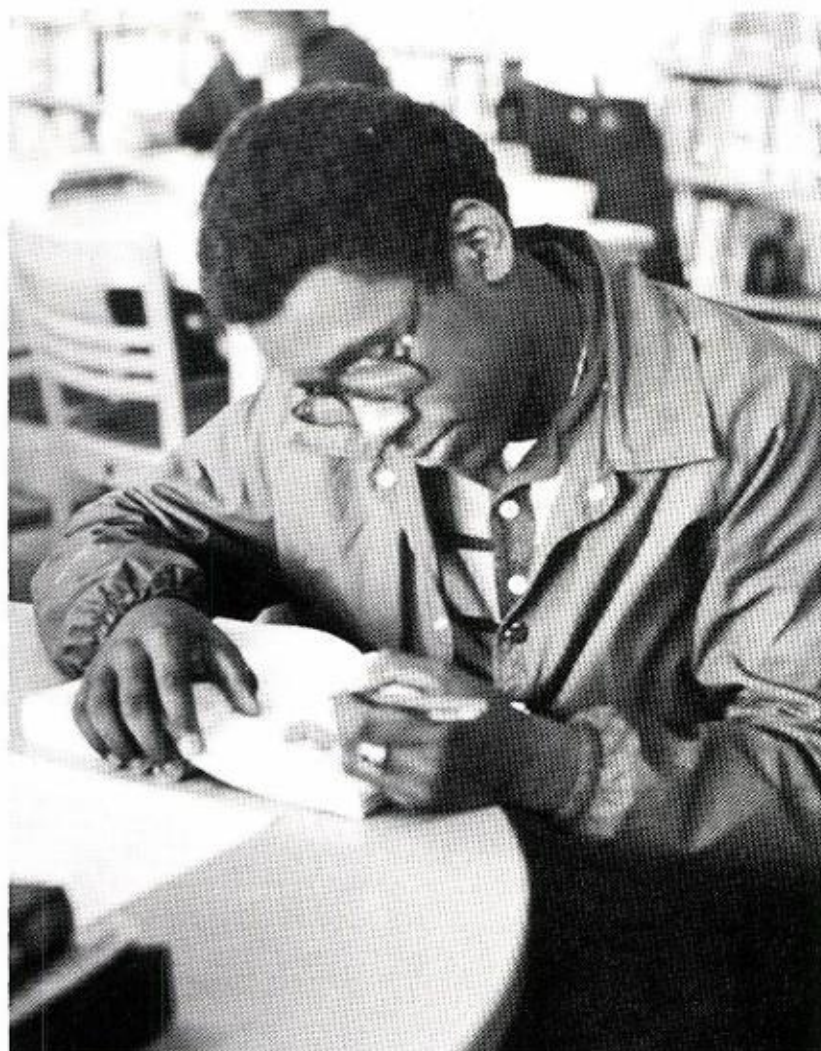

Saint Joseph Ski Club took to the slopes once again this year but were hampered by the little snow that had fallen. The moderator was Mrs. Hubbard and she did a fine job of making the newcomers to the club feel right at home. Patti Werner, a member of the club, placed 5th in the Special Olympics and first in National competition.

The Library Is Aided

Mr. Thompson is in his 7th year as a librarian and has a variety of library aides working for him. The aides range from freshmen to seniors and are a great asset to the library. They check out books, put the returning books in their proper order and do odd jobs around the room. From the atmosphere of the room, you can tell that the library has benefited a great deal from the help of the aides.

Students Benefit From N.H.S. And Student Council

National Honor Society, a group moderated by Miss Fern, consists of students who own a 3.00 grade point average, are involved in school events, and are personable young adults. The National Honor Society sponsors the Freshmen Main Event, ushers at the musical, and sponsors the induction of new members in the spring. Student Council officers are the link between the administration and the students. The organization, advised by Mr. Lee, also sponsored such events like the blood drive.

Big Buddies Were Freshmen Companions

The Big Buddies, a group moderated by Mrs. Law, was designed to help freshmen get acquainted with their new school. The group held a car wash to raise money for the annual freshmen picnic held following the first day of school. The Big Buddies also gave the new students a tour of the classrooms, had them meet their new teachers, introduced them to their fellow PACE members, and helped at the Freshman Main Event. The Big Buddies were always around to assist the freshmen in any way and to set an example for the new underclassmen.

Yearbook Staff Challenges New Decade

The Challenge yearbook staff worked hard to make this year's book a success. The class, moderated by Mrs. Powers, was basically a first year class and had to learn all about putting a yearbook together. Editor Carol Cunningham and the other staff members put in many extra, hard-working hours to complete the photographer's schedule, perfect layouts, and meet deadlines. The staff, which accepted the challenge, enjoyed producing the first book of the new decade.

The Laboratory That Became a Landmark

The Johnson Wax Research Tower, designed by Frank Lloyd Wright and completed in 1950, is recognized as one of the Seven Wonders of American architecture. Its architectural significance has made it a Wisconsin landmark.

But it is more than a historical landmark. It is a working laboratory where scientists guard the qualities that have made Johnson products the household standard around the world. And these scientists are seeking and testing new ideas and concepts which will lead to superior new products for better and more pleasant living tomorrow.

Good-byes seem to last forever and leave a hollow feeling in your heart, but the multitude of memories you have enjoyed together you can cherish until you meet again. The good times and the bad, the laughter and the tears, will never escape, even though the time slips away. And since farewells are inevitable, all you can do is hold onto the memories of your moments together as you travel through the new decade until you unite once again.
